COURSE STRUCTURE

Legal Articles and Legal Notes

The best way to grasp a topic permanently is thorough research on the topic. Legal notes and legal articles will help trainees become a better researcher and understand topics in a thorough way. The deeper research you will do the more lasting memory of the topics you will have. We aim trainees to understand the topic differently in comparison with other 95% of aspirants. The topics trainees will get to research will be mainstream topics of competitive examinations.

Guidelines:

- No plagiarism.
- Negative marking on plagiarism.
- Word limits: 800 to 1200 words
- Simple and creative writing.
*trainees have to understand the topics before they start writing.
- Bonus marks for creative writing.
- Assistance will be provided on every given topic.
- Every article will be reviewed after submission and reviews with solution will be provided. Our aim is to make you a better researcher and writer.
- * Credits will be given for all the contents published by ILW, on various platforms to the authors.

Legal Quiz

Free access to Into Legal World's online Legal quiz. Online Legal Quiz includes leaderboard which will help trainees to evaluate themselves periodically.

MCQ

Multiple choice questions are now base of every competitive examination. MCQs are all about solving them in maximum numbers, more you solve better you become. Into legal world promises you at least 500 MCQ on each main complete subjects of law.

100 Landmark Judgement Series

Case Laws is always an extra mark factor for any legal answer. Trainees will get a rare opportunity to work on 100 landmark judgements of each law subjects (case list made by central university professors and honorable high court judges). You will be provided with cases and you will be taught to read the judgements and to brief them.

Answer Writing

Aspirants' often face problems of effective writing, they often know the answers but don't know how to effectively frame answers. Trainees will be guided by qualified judicial services aspirants and eminent professors for Mains Answer Writing.

Video and Audio Submissions

Video and Audio submissions are designed to improve the speaking and presenting skills of trainees. We aim all-round development. We believe in knowledge with presentability and hence we aim to develop our trainees in all spheres.

Current Affairs

We focus on current affairs too so that our trainees are competition ready when they are finished with our program. We aim to teach the art of Newspaper and Magazine reading.

MARKING CRITERIA

For Evaluation of Trainee

Marking Criteria for Exams
