The Organisation:

INTO LEGAL WORLD (A Trademark of Parivritt Enterprises Private Limited) is an established name in the legal fraternity. INTO LEGAL WORLD is a platform connecting the entire Legal Fraternity with its various wings such as Online News Portal, Publishing House, Legal services, Career Counselling and is now looking forward to launching Into Legal World Application soon. We are serving our fraternity by providing quality legal contents in the form of Legal Articles, Legal Notes, Lecture Notes, Legal News Bites and many more areas of interest. Into Legal World is now embarking into the field of training and teaching. We aim to provide advanced and specific knowledge. Into Legal World is devoted to research and innovation in Law and believes in nurturing and providing an environment for students to pursue their dreams. Here at 'Into Legal World' we are passionate about grooming students who will not only become thorough professionals but also good human beings.

Into Legal World was founded on 15th January 2017 and got registered as startup under the Company Act on 23rd March 2018. Into Legal World was basically developed as an Online Legal News Portal which was popular for providing legal notes. Later with time, the portal developed as a Publication House (registered as **Into Legal World Publication**) and also provides legal services through our Association of over 1300 advocates from various parts of India.
